The Terror of a Killer

> <meta name="Generator"> All alone in my world

All alone in my world

I wonder about

what has become

of the child I used to know

She loved her life.

She would never imagine

killing anything.

Only to help.

But all morality has now

been ripped away

by my victims;

the ones who _suffer_

What am I to do?

I hate this,

Yet I refuses to stop

I don't think the terror will ever end.

But I am the one inflicting it.

I can end it.

But to succeed, I need the real me back.

Where has the little girl gone?

End
file.
